Only two pupils completed the work for the eighth grade in the district this year. Graduation exercises were held at the South school, where diplomas were awarded Elizabeth Wells, and Clarence Willey.

At the end of the spring term new composition slate blackboards were installed at the North school, and the cross lighting of the room corrected. At the South school similar correction of the lighting should be made by clos-

ing the two windows on the right hand side of the room.

We wish to thank the board for their support and co-operation in the work of the schools during the year.

Respectfully submitted,

JOHN A. SINCLAIR,

Supt. of Schools.
